## Chairman's Chat .....

There are many Membership cards available for pickup at the bar at the moment. Our Office staff has been able to catch up lately, with the help of Gillian, and get those long awaited cards printed. We will endeavour to hand out as many as we can on Friday night and Saturday with our golfers.

Our Club Championships, hopefully, will start this Saturday and Sunday. The only thing that will stop us will be the weather, and we certainly hope that the course will be able to have carts driving around for those days, as we do have many keen members who rely on motorised carts to play golf. *Can anyone put a good word in for us with the big fella upstairs?*

Last Saturday, we had a visitor, Paul Adams, from Dunedin New Zealand, play golf on Saturday and he absolutely loved our course and our beer. It was so

pleasant to have a visitor so happy and jovial in our midst! Paul was even offered money to move to Bellinggen so that we could have a happy face around us all of the time. The two dollars was not quite enough to convince him this time, but he is looking forward to coming back, when he can.

Don't forget the "Rock the Dam" golf day coming up on the 28<sup>th</sup> of this month. It is not far away by the way the weeks are flying past.

On the entertainment scene there is Jazz this weekend followed by "the King and Buddy" later in the month.

**Just remember that this is your Club, it is what you make it, if you stay away, so do all your friends!**

**See You Here! Gary Bryant**

### Annual Revue

It is that time of the year again. The script is written the stage is set and Genny is waiting to welcome all those cast members, who will once again be brave enough to step up and entertain on the June long weekend.

If there are people out there that would like to have a try, or you know of someone that you think would be good, come along to the first rehearsal/get to know us night on *Monday the 22nd March at the Golf Club at 5.00pm*. We try to finish by 7.00pm. It is a lot of fun and a great help to the club with all proceeds helping to fund a club project. Take a risk. Step up (in time of course) and be counted.
