AROUND THE TRAPS

Chairman's Chat

This week we wish Gillian a safe and relaxing holiday to Europe. Gillian and her partner Richard are meeting up with sailing friends, and the thought of warm weather and smooth sailing around Italy, plus all that Italian vino and pasta sounds pretty good to me! On the home front at the Club this week, Joe's Wednesday night special has really hit the spot with the locals. The restaurant was full and many were eating in the auditorium. I am so pleased that our members are finding out how good Joe's food is!

The Jazz Society celebrated its 20th birthday last Saturday Night and I believe it was a fantastic night. Coming up next **Saturday the 17th July**, will be our famous karaoke night and I hope that all those people who attended the last will be turning up again for this one! I would like to remind anyone who may be holding a party at the Club, that Karaoke is available for these private parties. Just let me know after you have booked the function is booked at the Club. **See You Here! Gary Bryant Chairman**
