AROUND THE TRAPS

Chairman's Chat

It's been wonderful to have such lovely weather this week and those of us with children and grandchildren can make the most of the last week of the school holidays, plus golf lovers are finally getting some run on the ball to improve their game.

Talking of golf, our fairways mower is out of action until a new part arrives from overseas, so your understanding is required till it is repaired and you will just have to try and stay on the straight and narrow.

I would like to draw your attention to our forthcoming meeting on 3rd August, details are below. We welcome all members to come and make a contribution and discuss ideas. We won't just be talking about golf either, it will be anything people would like to see happening here at the club which could bring us more revenue, which could include social activities and events. We'll leave the ideas up to you ... the members.

See You Here! Gary Bryant Chairman

Our Club – It's Future

Meeting on August 3rd at 7pm

Since the AGM the Board has been developing a business plan for the next 5 years. At the meeting the Board would like to:-

1. Outline the difficult financial position of the club
2. Put forward ideas and direction that have been discussed in developing a business plan.
3. Ask for ideas from the members for the future of the club
