Chairman's Chat

Hi Members, we have mentioned our Members meeting a few times, which is coming up on the 1st Tuesday in August, but have found that this clashes with the regular Lions Club meeting. I have tried to notify the other Directors to change the meeting to **Monday, August 9th**, so will keep you informed. Over the past few weeks we have had a few items happening and I would like to thank Captain Wayne Jeffery and Matt Connell for assisting the MNCDGA Men's Fourball District Final at our course. I received many good comments on our golf course, with people promising to come back again. Therefore our greens staff and volunteers deserve a pat on the back as well. At the bar, Pat King made everyone welcome throughout the day making it a perfect event. Thanks everyone!

One of the objects with our business planning is to form a "House Committee" and that is not to find things that need repairing or painting, but a committee to organise some form of entertainment for each weekend if possible. That might be bands, trivia nights, karaoke, games nights and so on. If you feel that you would like to help the club that way, please let me know. The karaoke has been going quite well, we even have members of local bands coming along to let their hair down and have fun and I for one certainly enjoy their company on those nights.

I hear Stan and Billy did a great job last Friday night, more again this week and I will see you all on the following Friday.

See You Here! Gary Bryant Chairman
