Chairman's Chat

Well it is official, the much needed Members meeting will be taking place as advertised on Tuesday 3rd August. I would like to pass on the urgency and necessity of this meeting as under the current economic climate and the current usage of the Club by it's members, there needs to be discussion as to how and if we want to survive in the future. And it is as simple as that! I strongly urge that all members, not just golfers, attend and be an active part of Tuesday night's discussion. The meeting will be open for ideas, constructive criticism and assistance. But in the end we need to all band together, forget any differences we may have with each other, bury the hatchet if there are any, and get on with preserving the best Club with the best venue on the North Coast. Are you ready to let it all go? I'm not! But it won't work with just me! I need all 700 odd members standing beside me, then it will work!

On another note, if you are thinking of having a Christmas Get-Together, as it is getting closer to the end of the year, you can celebrate here. Book your party now, the rates are very reasonable and our bar and office staff will be glad to help you with the details.

See You Here! Gary Bryant Chairman
